PREMIUM
INDUSTRIAL
TOOLS**

Be Safe...Be Efficient

EGA Master is a manufacturer of Premium industrial tools for the most demanding industries that exports to over 150 countries worldwide. It offers an innovative one-stop solution to improve operational safety and efficiency.

The EGA Master proposition is sustained on 5 key pillars:

12
RANGES

One-stop solution *12 Product Ranges*

EGA Master is the only manufacturer that offers 12 ranges under a one-stop solution to reduce procurement and logistic costs for our customers.

Premium industrial quality *Lifetime Warranty*

EGA Master offers lifetime warranty for all its industrial tools (*).

Personalization *Tools and foam trays*

EGA Master offers workshop and tool personalization services to improve the control of tools and reduce unnecessary replacement costs as a result of tool theft or loss.

Responsive service *Over 98% availability rate*

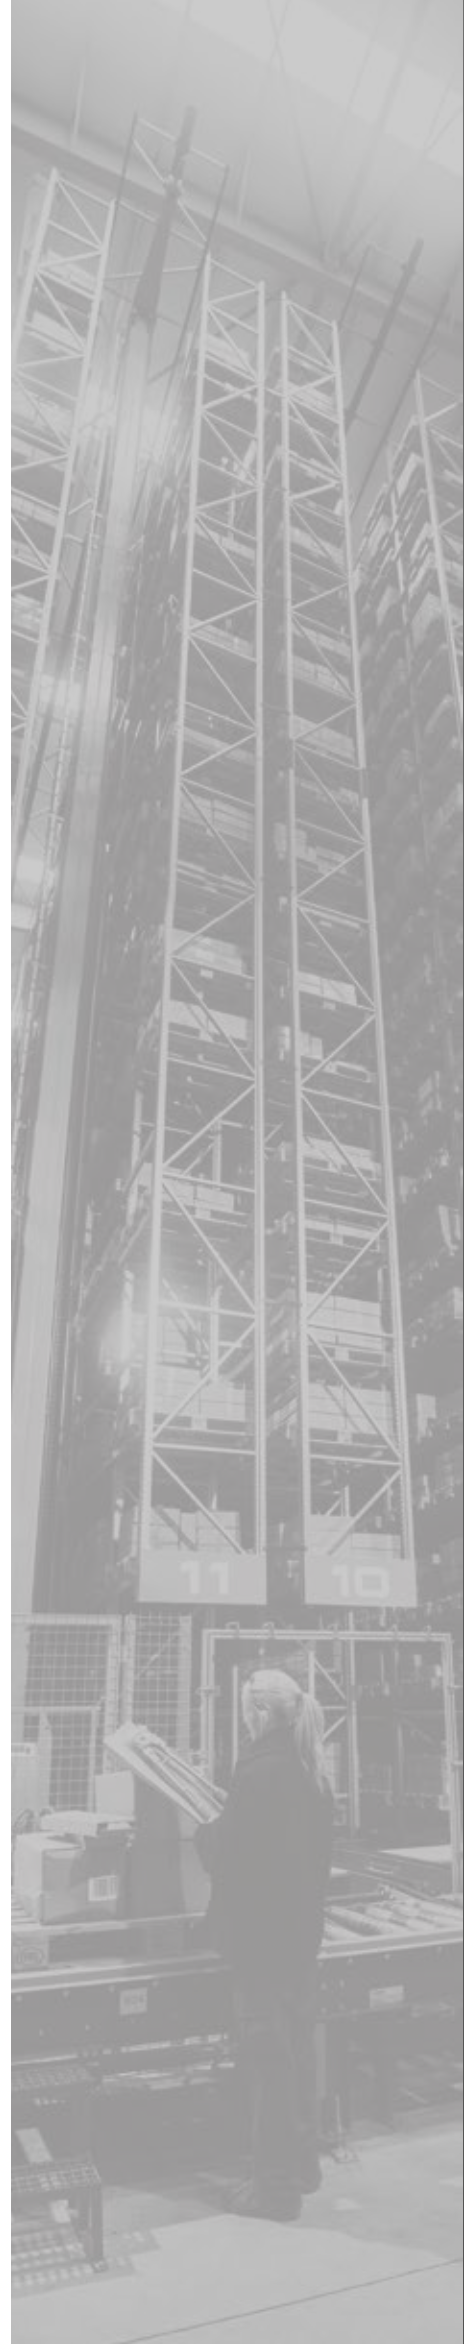

As a result of our manufacturing model and investment in stock, we are able to provide an availability level above 98%.

Innovation *Over 200 patents*

EGA Master holds more than 200 patents and invests around 6% of its turnover in R&D+I to find ways to improve the safety and efficiency of industrial operations.

(* Excluding non-sparking tools, which are made of a softer material than steel tools.

For The Most Demanding Projects

Our unique capabilities have allowed us to deploy successfully our solutions across some of the most demanding projects in the world. Some of the flagship projects and references include:

Kellogg Brown & Root (USA)

Personalized roller cabinets deployed in the Sadara Project, a joint venture between Saudi Aramco and Dow Chemical, the largest petrochemical plant built in a single phase.

Mediterranean Shipping Company - MSC (Italy)

Agreement as their trusted manufacturer for the supply of one-stop solution for maintenance operations on more than 500 cargo ships and 16 cruise ships in different countries.

Kuwait Oil Company - KOC (Kuwait)

Over 50,000 tools delivered in less than 8 weeks in two separate projects for two contractors managing the KOC infrastructure.

Nawah Energy Company (UAE)

Tool sets on roller cabinets with customized foam trays supplied within 4 weeks for Barakah NPP with the company name marked on every tool to enable a more effective tool control.

Bristol-Myers Squibb (Ireland)

Technical advice on the selection of suitable tools for clean rooms. Design and manufacturing of tailor made stainless steel tools.

Aernnova (Spain)

Design, development, manufacturing and installation of 14 flexible and mobile workstations for the Airbus A350 assembly line.

General Motors (Mexico)

Storage solutions for their assembly plant maintenance workshop, providing safety and efficiency to their processes by supplying customized Premium Industrial tool sets.

They trust us...will you?

We deliver solutions to problems and needs that our customers face. As a result, we have created brand ambassadors across companies that represent today's global industrial elite.

VOLKSWAGEN (Mexico)

"EGA Master's service is fast and effective. We believe that in EGA Master we have a supplier we can trust to find solutions to our needs."

- Eng. Edmundo Homero Cacho -

FERREYROS-CAT (Peru)

"We recommend the use of EGA Master Copper-Beryllium sledge-hammers in mining operations because its alloy is safer in the activities of blade maintenance as it does not produce chips that may cause injuries to workers."

- Victor Alfonso Quispe Trujillo
Logistics Support -

AERNOVA (Spain)

"When we first visited EGA Master we just had a vague idea in mind. However, that idea soon became a real project that brought a solution to our problems under extremely demanding timescales. In record time, EGA Master implemented a complete line of smart workstations, designed and manufactured just for our needs. Technological know-how, ability to react quickly and adapt to changes, and especially the closeness and commitment to its clients are the main traits that best define EGA Master."

- Jose Manuel Guerra Verdejo
Aernnova Industrialization General Manager -

SHELL (Nigeria)

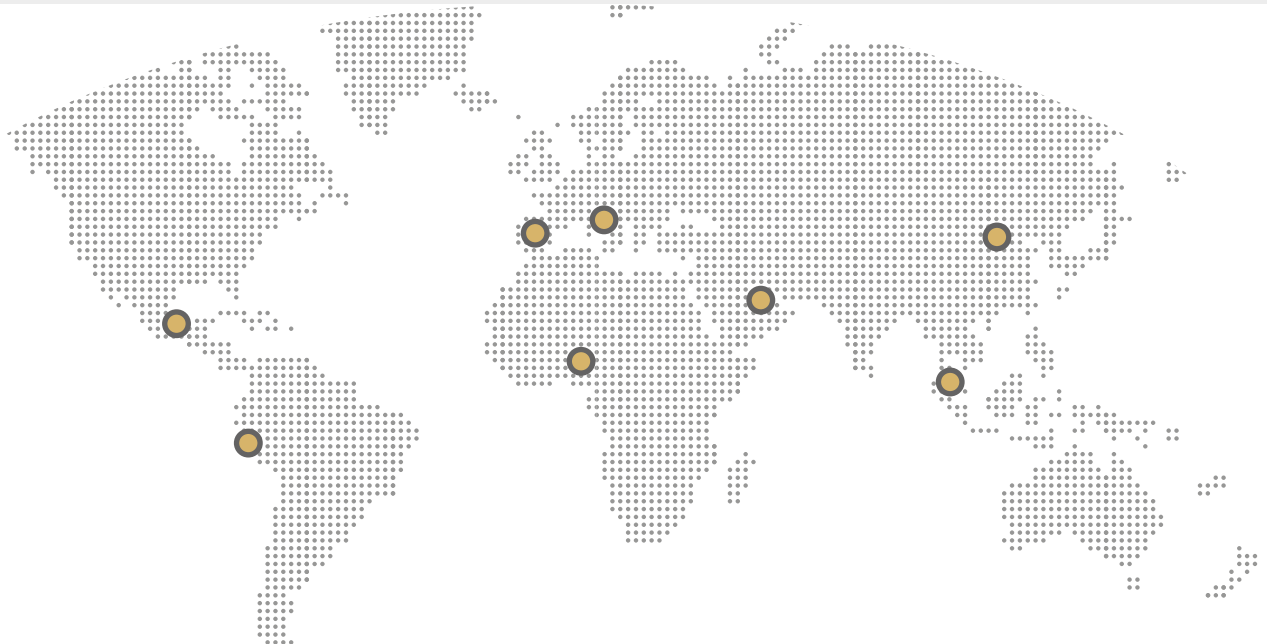

"EGA Master Tools are absolutely amazing tools in terms of value in safety, convenience and versatility."

- Godfrey Ekeke
Maintenance Planner -

GENERAL MOTORS (Mexico)

"We trusted EGA Master for the purchase of mechanical tools and the delivery time was satisfactory and on time. Our staff is working very comfortable with the tool. It has met our standards and we highly recommend it."

- Luis Mata
Maintenance Coordinator -

NESTLÉ (Portugal)

"Due to the various solutions, it presents, especially in terms of safety tools and even more so with control systems, meeting the requirements of Industry 4.0, EGA Master is undoubtedly an excellent partner when it comes to the areas of production and maintenance and safety."

- Miguel Pinto
Health and Safety Department -

MSC (Italy)

"Our business requires trustworthiness, flexibility and fast reactions. We have found all these traits in EGA Master and they are supporting our operations with quality products, tailor made solutions and state of the art service level."

- Luigi Staccoli
Chief Procurement Officer -

MERCEDES-BENZ (Malaysia)

"EGA Master is a trusted supplier that offers us the best service in the industry. We see EGA Master as a key partner for us going forward."

- Chantramohan Suparmaniam
Production Manager -

ADNOC (UAE)

"The tools performance remained very good as per the feedback received from my team."

- K.K.R. Senior Engineer
Workshop Plant Operations Division -

EXXONMOBIL (Nigeria)

"Safety is the watch word in our company and using EGA Master tools has helped us maintain that record over the years. Using the right tool helps you accomplish your task timely and safely, and EGA Master tools have consistently fulfilled that need for us."

- Chidi Ahamefela
Central Tools Coordinator -

CNOOC (China)

"The Non-Sparking tools of EGA Master are perfect in fine detail and craftsmanship."

- Ji Liu
